

Doncare scores

DONCARE is having a ball with its new patron.

Champion basketballer Michele Timms signed on as Doncare's patron last week.

Doncare chief executive Doreen Stoves said the charity thought long and hard about who to select as its first patron.

A lifelong Manningham resident who did a lot of work with children, Ms Timms was an obvious choice, she said. "We are absolutely delighted to have her as our patron," Ms Stoves said.
