Op shop opens at Forest Hill

ONE of Manningham's peak welfare organisations has opened a shop to help fund family service programs.

Doncare's volunteer manager Barbara Zeller said the opportunity shop at Brentford Square, Forest

Hill, provided much needed income for the agency's education, parenting and in-home support programs.

Ms Zeller said she had been successful in getting 24 volunteers to run the shop but was struggling to find people

who were available on Wednesdays and Saturdays.

"The shop stocks quality second-hand furniture, hand-knitted children's wear, books and bric-a-brac," Ms Zeller said. Inquiries: 9848 4433.
